

2017 RESOURCE CONSERVATION INCENTIVE PROGRAM

Non-Residential Rebate Application

Customer Notice: This rebate application must be completed in full. Please attach a copy of the sales receipt showing date of purchase, dealer name and address, and quantity purchased. **The rebate application needs to be submitted to SMU within 90 days of invoice or project completion.** Incomplete applications will result in delay in receiving your rebate. For rebates in excess of \$1,000, the applicant may request a check rather than credit. Rebates will not exceed 50% of equipment costs minus any manufacturers or dealer rebates.
